Letter to Congressional Leaders on Continuation of the National  
Emergency With Respect to the Situation in or in Relation to the  
Democratic Republic of the Congo  
October 22, 2008

*Dear Madam Speaker: (Dear Mr. President:)*

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent the enclosed notice to the *Federal Register* for publication, stating that the national emergency with respect to the situation in or in relation to the Democratic Republic of the Congo, and the related measures blocking the property of certain persons contributing to the conflict in that country, are to continue in effect beyond October 27, 2008.

The situation in or in relation to the Democratic Republic of the Congo, which has been marked by widespread violence and atrocities that continue to threaten re-

gional stability and that has been addressed by the United Nations Security Council in numerous resolutions, including Resolution 1596 of April 18, 2005, Resolution 1649 of December 21, 2005, Resolution 1698 of July 31, 2006, and Resolution 1807 of March 31, 2008, continues to pose an unusual and extraordinary threat to the foreign policy of the United States. For this reason, I have determined that it is necessary to continue the national emergency to deal with that threat and the related measures blocking the property of certain persons contributing to the conflict in that country.

Sincerely,

GEORGE W. BUSH

In accordance with the provisions of section 1512 of the Strom Thurmond National Defense Authorization Act for Fiscal Year 1999 (Public Law 105–261), I hereby certify that the export to the People's Republic of China of two jet mills for fine grinding of friable or crystalline materials to be used in the manufacture of spandex fiber and semiconductor compounds and one spare beam centerline that will be exported for repair/replacement for the continuous operation of a cargo inspection system is not

detrimental to the U.S. space launch industry, and that the material and equipment, including any indirect technical benefit that could be derived from such exports, will not measurably improve the missile or space launch capabilities of the People's Republic of China.

Sincerely,

GEORGE W. BUSH

Statement on the 25th Anniversary of the Terrorist Attack on the Marine Barracks in Beirut, Lebanon  
*October 23, 2008*

Twenty-five years ago, a suicide bomb destroyed the Marine barracks in Beirut, Lebanon. We remember the 241 American marines, soldiers, and sailors who lost their lives in that attack, and we pay tribute to their families and loved ones. The U.S. forces in Lebanon were serving as part of the multinational force working to bring peace and security to that country, torn by years of civil war.

On the anniversary of this unconscionable attack, we honor the memory of those brave service men and women through our commitment to succeeding in the war on terror. We express our gratitude to those serving abroad to protect America and promote peace and freedom around the world. And we reiterate our strong support for the voices of moderation and justice in Lebanon.
